# Rainbows Over Kapa'a

Join us for an evening of story-telling and nostalgia as honored guest, Judge Bill Fernandez (KS '49), shares the timeless stories of his hometown, Kapa'a, Kaua'i in his book, *Rainbows Over Kapa'a*. "This is a personal, 'barefoot' stroll through Kapa'a...you will delight in the array of characters, the colorful anecdotes and singular historical events that highlight the town's history and identity," writes Linda Moriarty, author of the book, *Ni'ihau Shell Leis*. Learn of this multiracial-multicultural town through the eyes of its own native and share in the rich history of this small and unique place.

Copies of the book, *Rainbows Over Kapa'a*, will be available for purchase.
